Lanida Soler  
Aerobic Atlanta

Dear Lanida:

On behalf of everyone at our Atlanta Division office, thank you for providing our exercise classes. The classes are a substantial and high profile part of our Health and Wellness initiatives. I am convinced that regular exercise can not only make you look and feel better, but can help prevent serious diseases including heart disease, diabetes and cancer.

I appreciate the professionalism of your instructors and their ability to engage our associates, encouraging them to take better care of themselves.

Again, thank you for all you do.

Sincerely,

*Tony Denney*

To whom it may concern,

Our company has worked with Aerobic Atlanta for over 5 years and we couldn't be happier with the service; from the owner down to the aerobic instructors. Their instructors show up on time and the company always updates our Athletic Club with scheduling and substitute instructors when necessary.

The company also provides our Club with a variety of aerobic classes; which is beneficial to us b/c it pleases our members and (also) promotes more members to join. This is very important to our Club b/c our aerobic classes are included with the membership. One final note, the price for each class is very low and competitive. We here at the Village Athletic Club give Aerobic Atlanta a big "Thumbs up".

To Whom It May Concern:

Aerobic Atlanta Inc. served as our aerobics/fitness class provider for the nine years that I was at ING, five of those years as manager. When I first came aboard ING, we used AA and another competitor, but we made a decision to stay with AA, as they provided a great variety of instructors, reasonable pricing, timeliness and accurate invoices time and time again. I would strongly recommend Aerobic Atlanta Inc. to any facility! Please contact me if you need me to speak in reference to Aerobic Atlanta.

Sincerely,

Travis Brown, MS, CSCS\*D, LWMC
